Internship Program

Internship Benefits

- **Monthly stipend of \$1,000**
- **Paid Housing**
 - Duration of internship. 10-12 weeks in Jun-Aug.
 - Housing at Gillette College, see gillettecollege.org/housing/
- **Paid Memberships**
 - Pass to Campbell County Recreation Center
 - 1-year membership to Campbell County and Wyoming State Historical Societies
 - 1-year membership to the Pumpkin Buttes Archeological Society
 - 1-year membership to the Rockpile Museum Association
- And Tickets to a variety of activities and places of interest.

The Rockpile Museum Association (RMA) is dedicated to the growth, development, and success of the Campbell County Rockpile Museum (CCRM). CCRM has a large collection of artifacts, documents, photos, objects, etc. from the history of the Powder River Basin. Exhibits, programs, and activities all tie back to Campbell County and the greater Powder River Basin area.

Accepting only graduate students or an incoming graduate student at an accredited University or institution. Museum Studies are preferred, but we will consider students in the history field generally.

Internship will be 10-12 weeks. Intern's primary duty will be to assist with museum collections, cataloguing and archival work. From time-to-time secondary duties will be required, such as front desk work, help with special events, tour groups, and other projects deemed necessary by CCRM staff. Previous interns have also created their own small exhibit. The purpose is to expose interns to many elements of museum work.

The intern must be self-motivated, work independently, willing to learn and be able to work 40 hours a week. With makeup hours to be scheduled if taking time off.

Museum hours are Monday-Saturday 8:00am-5:00pm. Other Requirements:

- Transportation will NOT be provided; must acquire their own transportation.
- The intern will be required to attend all RMA Board meetings. Generally held forth Tuesday of the month at the Museum.
- A written and oral final report will be presented to the RMA and the public at the end of the internship, featuring what was learned and any special projects the intern has taken on during their internship.

Howdy! From Wyoming!

Situated in northeast Wyoming's Powder River Basin, Gillette is the state's third largest city with a population of approx. 33,500 people. The Powder River Basin is home to large reserves of coal, oil, and gas earning Gillette the nickname "Energy Capital of the Nation."

An hour drive to the west of Gillette, the majestic Bighorn Mountains soar to heights of 13,000ft. An hour drive to the northeast sits Devil's Tower, the nation's first National Monument. Numerous State and National Parks including Mount Rushmore; Wind Cave; Jewel Cave; Custer State Park; the Black Hills; and the towns of Deadwood and Rapid City, SD are all within a two-hour drive of Gillette.
