

Museums, technologies, and civic transformations

Wednesday, March 19, 2025

6:30 pm

Helmut Stern Auditorium

UM Museum of Art

This talk will explore trust, attention, digital memory, ephemerality, and the fragility of new cultural artefacts, and conversely, maintenance, longevity, and the need for bold pan-institutional and sector-wide initiatives, new skills, and literacies.

Seb Chan

Director & CEO of ACMI
Melbourne, Australia
